Road, Gangxia Community Futian Street, Futian  
District, Shenzhen, 518033 GUANGDONG, China

To respected Customer

## **Your Trusted Partner**

We are located in Shenzhen, China, known as the "Miracle City" and one of the world's top ten ports.

As a manufacturing and trading company, we have dedicated teams specializing in engineering and foreign trade services.

Our engineering team focuses on Swiss sliding head lathe metal cutting and clamping technology, bringing with them 15 years of industry experience. With their high level of expertise, they are committed to providing professional solutions for metal cutting and clamping.

At the same time, our foreign trade services team is highly experienced in handling international trade and cross-cultural communication. They are dedicated to ensuring smooth communication with our clients and providing comprehensive services, from order processing to logistics arrangements.

Through the close collaboration between our engineering and foreign trade services teams, we strive to deliver high-quality products and services to meet the specific needs of our clients. Whether you require technical support or are seeking international trade cooperation, we are here to provide full support and assistance.

RECOLLET specialize in the production, sales, and service of high-quality precision cutting & clamping tools, accessories for swiss lathe.

You can find information about our company and our swiss lathe tooling on our website:
